Hello;

My name is Karen Cecy and I have been producing Port Credit Busker Fest for the past 6 years as an independent contractor.

I have had the pleasure of using Dangerous Comedy two years in a row at Port Credit Busker Fest 2010 & 2011. Dave brings a professional attitude and a wonderful disposition with him every time he comes. Rain or shine he is willing to get out there and make people laugh *-like he does so well.*

Dave's extreme talent, positive attitude and willingness to help the festival grow, make him someone I will definitely have back in years to come.

Please feel free to contact me if you have any other questions karencecy@yahoo.ca

All the best of luck with your endeavour

Karen
